**PRELICENSURE CONSENT ORDER**

WHEREAS, Andrew W. Crumpton of Milford, Connecticut (hereinafter "respondent") has applied for licensure to practice as a barber by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 386 of the General Statutes of Connecticut, as amended; and, WHEREAS, respondent agrees that:

1. The Department has at no time issued respondent a license to practice the occupation of barbering under the General Statutes of Connecticut, Chapter 386.
2. The respondent has engaged in the practice of barbering since April 24, 1994 during which time he was unlicensed.
3. The conduct described above constitutes grounds for the denial of respondent's application for licensure pursuant to §19a-14 of the General Statutes of Connecticut.

NOW THEREFORE, pursuant to §19a-14 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

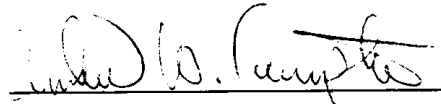

1. Respondent waives the right to a hearing on the merits of his application for licensure.
2. After satisfying the requirements for licensure as a barber as set forth in Chapter 386 of the General Statutes of Connecticut, respondent's license to practice as a barber will be issued.

3. Respondent shall pay a civil penalty of two hundred twenty-five dollars (\$225.00) by certified or cashier's check payable to the "Treasurer of the State of Connecticut." The check shall reference the Petition Number on its face. Said civil penalty shall be payable at the time respondent submits this executed Prelicensure Consent Order to the Department.
4. Respondent shall comply with all state and federal statutes and regulations applicable to his license.
5. Respondent shall notify the Department of any change in his home and/or business address within fifteen (15) days of such change.
6. Any deviation from the terms of this Prelicensure Consent Order without prior written approval of the Department shall constitute a violation. A violation of any term(s) of this Prelicensure Consent Order shall result in the right of the Department in its discretion to immediately deem respondent's barber license rescinded. Any extension of time or grace period for reporting granted by the Department shall not be a waiver or preclude the Department's right to take action at a later time. The Department shall not be required to grant future extensions of time or grace periods. Notice of the rescission of the license shall be sent by the Department to respondent's address of record. Respondent waives any right to a hearing on the issue of violation of the terms of this Prelicensure Consent Order.
7. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Licensure and Registration Section of the Division of Health Systems Regulation of the Department.
8. Respondent understands that this Prelicensure Consent Order may be considered as evidence of the above-admitted violations in any proceeding before the Connecticut

Examining Board for Barbers, Hairdressers and Cosmeticians in which (1) his compliance with this Prelicensure Consent Order is at issue, or (2) his compliance with §20-238 of the Connecticut General Statutes, as amended, is at issue.

9. This Prelicensure Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Prelicensure Consent Order is not subject to appeal or review under the provisions of Chapters 54 and 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any other rights that he may have under the laws of the State of Connecticut or of the United States.
10. This Prelicensure Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
11. This Prelicensure Consent Order is effective when accepted and approved by a duly appointed agent of the Department.
12. Respondent understands this Prelicensure Consent Order is a matter of public record.
13. Respondent understands he has the right to consult with an attorney prior to signing this Prelicensure Consent Order.

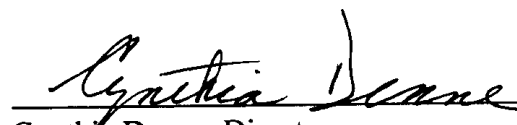

I, Andrew W. Crumpton have read the above Prelicensure Consent Order, and I agree to the terms and allegations set forth therein. I further declare the execution of this Prelicensure Consent Order to be my free act and deed.
